## 2023 EMPOWERING HOMEOWNERSHIP EXPO

On Saturday, 1/28/23, Affordable Housing Clearinghouse (AHC) embraced an opportunity to kick off Black History Month at our Empowering Homeownership Expo in partnership with key leaders in our network. AHC hosted 75 families in attendance who learned about various down payment opportunities available to eligible households. I want to thank our Board Director Cheryl A Ryman at Farmers & Merchants Bank, the Federal Home Loan Bank of SF, the Long Beach Center for Economic Inclusion, and our inspirational VIP Mayor Rex Richardson. We were honored to have the following organizations present information to our guests: CalHFA, Elite Skills Development, Neighborhood Housing Services of Los Angeles, Habitat for Humanity -LA, and the City of Long Beach. We appreciate everyone who attended and participated in some way to offer their services to future homeowners!

## 2023 COMMUNITY REINVESTMENT OC HOMEOWNERSHIP

AHC in partnership with Santa Ana College co-hosted our annual reinvestment forum, "Expanding Affordable Homeownership Opportunities in Orange County." At our convening, we delivered actionable tools and resources for facilitating homeownership opportunities in a high-cost area. As a community we can help families achieve their dream of homeownership, financial stability, kick off generational wealth, while supporting local jurisdictions' efforts to build a stronger economy and keep our workforce local.
