Step 4: Complete Homebuyer Education Seminar

You must complete an 8-hour homebuyer education seminar with Affordable Housing Clearinghouse. This certificate is valid for one year.

Step 5: Pre-Approval

After you are pre-approved for your first mortgage loan, your lender may submit a copy package containing your loan application forms, credit report and all required documentation to the Affordable Housing Clearinghouse for processing of your MAP loan. The Affordable Housing Clearinghouse will notify you of your pre-approval for the downpayment assistance. The pre-approval is given before you open escrow on the purchase of a property and is subject to approval of the property and various other conditions.

Following pre-approval, you will have 30 days to identify a property to purchase and open escrow. If a property is not identified during this time period, the applicant's approval must be extended subject to available funds. Approval is valid as long as there are no changes that would affect the eligibility of the applicant.

Step 6: Identification of Property

Once you are pre-approved, you can work with any real estate agent to begin identifying a home to purchase in the County unincorporated area or participating city and that is within your affordability range. Once you find a property you would like to purchase, you must submit a purchase offer. A real estate agent may assist you with this. When submitting an offer and proposing an escrow closing date, please allow additional time for the County to process your MAP loan. The County requires **7 to 10 business days** after your executed loan documents are received from the escrow agent to complete the final approval process and fund the loan. You may specify in your purchase offer that you plan to finance the home partially with the County MAP loan. In addition, the County requires a satisfactory home inspection report, which you may specify as a condition in your purchase offer. Review and approval of a County inspection will also be required. When the purchase offer is accepted and executed by all parties, escrow is opened.

Step 7: Final Approval

When escrow is opened, you must contact the first mortgage lender and the Affordable Housing Clearinghouse to complete the final loan approval process. To provide final loan approval, the Affordable Housing Clearinghouse will need to receive several items including, but not limited to, all of the conditions of the loan pre-approval, a fully executed purchase agreement, escrow instructions, a preliminary title report, an appraisal report, a home inspection report, and any updated information if applicable. Most of these items may be provided by your first mortgage lender. All information provided as part of the MAP application is subject to verification. After all documentation has been received, the application will receive final approval from the County. The County requires **7 to 10 business days** to complete the final review and fund the loan. Any missing documentation may delay the process.

Step 8: Execution of Loan Documents and Disclosure Statement

After the County provides final approval, the MAP loan documents will be sent to the escrow agent for you to review and sign. You will receive a Promissory Note detailing your loan obligation, Deed of Trust securing the loan against the property, and a Borrower Disclosure Statement. You will have the opportunity to review the documents and ask questions or clarify before executing the documents.

Step 9: Closing and Homeownership

After your executed loan documents are received from the escrow agent, the County requires **7 to 10 business days** to complete the final review and fund the loan. Any missing documentation may delay the process. When the conditions set forth in the purchase agreement are completed, the loan will close and the deed of trust will be recorded. You will need to make payments on your first mortgage loan. You will be responsible for notifying the County of a change in occupancy.

Step 10: Monitoring

All homebuyers may receive a monitoring visit approximately 60 days after the funding of the loan. The purpose of the visit is to ensure the owner occupies the residence. Homebuyers are required to occupy the unit as their primary residence. Monitoring is done on an annual basis.

**ORANGE COUNTY MORTGAGE ASSISTANCE PROGRAM
APPLICATION AND AFFIDAVIT**

TO THE HOMEBUYER:

Thank you for your application to the Orange County Mortgage Assistance Program (MAP). It is most important that you take time to read and sign each page of this application before your lender forwards it to our office. You will be certifying that you understand the Mortgage Assistance Program eligibility guidelines, and believe that you and the purchase price of your residence meet those guidelines. Your lender will also give you an Applicant Information Package, which should answer most of your questions about the program. If you have any additional questions, please feel free to phone the Orange County MAP Administrator, Affordable Housing Clearinghouse, at (949) 859-9255.

ABOUT THE INCOME REQUIREMENT:

The income information provided in the application must represent the current gross annual income of your household and must not exceed the program income limit of 80% Area Median Income (AMI). Find the applicable limit below, based on your household size for 2021 (most current income limits will apply):

<u>Household Size:</u>	<u>Income:</u>
1	\$75,300
2	\$86,050
3	\$96,800
4	\$107,550
5	\$116,200
6	\$124,800
7	\$133,400
8	\$142,000

Income is “annualized”, meaning that total current monthly income is multiplied by twelve for a total projected annual amount. Income includes all of the following: monthly gross pay; overtime; part-time employment; bonuses; dividends; interest; royalties; pensions; Veterans compensation; net rental income; alimony; child support; public assistance; sick pay; social security benefits; unemployment compensation; and income derived from trusts, business activities or investments. Income limits only apply during the escrow process; they become irrelevant after the loan closes. When considering gross income, all household residents eighteen (18) years or older are included.

ABOUT THE PURCHASE PRICE REQUIREMENT:

The purchase price must be the price that you and the Seller have agreed on, and must not exceed the program purchase price limit of \$_____. The purchase price means the cost of acquiring the residence, excluding usual and reasonable settlement or closing costs. If the buyer agrees to pay a cost usually paid by the seller, that amount must be included in the figure representing the purchase price.

Total sales price shall not exceed 85% of the Orange County median sales price for all homes.

MAP AFFIDAVIT:

A MAP applicant is anyone who will go on title and/or who will be liable on the mortgage and occupy the residence. Each applicant must make the following certifications:

I, the undersigned, as part of my application for a Mortgage Assistance Program (MAP) loan from the Orange County Mortgage Assistance Program (the "Program"), and in connection with a purchase of a home (the "Residence") and an application for a mortgage loan (the "Mortgage Loan") from a participating lender (the "Lender") of my choosing, do hereby state that I have carefully reviewed this document. I understand and agree with the answers on page one, and do furthermore certify the following:

1. I understand and agree that the information provided in the Household Information section of the application represents those people who I expect to initially share occupancy of the Residence with me. I understand that my spouse, whether on title or not, is an applicant for the MAP and must sign this Application.
2. I certify that I am a first time homebuyer, who has not had an ownership interest in a principal residence within the three years immediately preceding the date of this application, and I do not and will not have an ownership interest in a principal residence prior to the date of the loan closing. A principal residence includes a single-family residence, a condominium, share in a housing cooperative, any manufactured home or mobile home, or occupancy in a multifamily residence owned by me. An ownership interest means ownership by any means, whether outright or partial, including property subject to mortgage or other security interest; it also includes a fee simple ownership interest, a joint ownership interest by joint tenancy in common, or tenancy by the entirety, or a life estate interest. I further certify that I will submit true and complete copies of my actual signed federal tax returns for the preceding three tax years, or such other written verification that is acceptable to the MAP.
3. I certify that the Residence will be occupied and used as my principal place of residence within sixty (60) days of Mortgage Loan closing. I certify that the Residence will not be used as an investment property, vacation home, or recreational home and that no more than 15% of the area of the residence will be used in a trade or business. I certify that I will notify the Program in writing if the Residence ceases to be my principal residence.
4. If the loan application is for a loan on a newly constructed home I certify that the Residence has not and will not be occupied prior to loan commitment.
5. I certify that the Mortgage Loan is a first mortgage, not a replacement for an existing mortgage.
6. I certify that the information provided in the Gross Monthly Income section of the application represents my total household gross annual income, and does not exceed the income limits, as explained above.
7. I certify that the purchase price of the Residence does not exceed the purchase price limits, as explained above. I further certify that no side deal or agreement, either written or verbal, is presently contemplated for the completion of or addition to this residence unless the estimated cost of such completion and/or addendum is included in the purchase price.
8. I certify that the information provided in the Assets section of the application represents my total assets, not including automobiles, furniture, household goods and personal items.
9. I certify that no person related to me has, or is expected to have, an interest as a creditor in the Mortgage Loan being acquired for the Residence.
10. I understand and agree that if the Mortgage Assistance Program Loan is issued to me, it may not be transferred.

11. I understand that the principal and interest payments are deferred for the term of the loan and due in the 30th year or upon sale or transfer of the property, when the property ceases to become owner-occupied, or upon repayment or refinancing of the first mortgage, whichever comes first, with the exception of transfers between surviving spouses continuing to reside in the property.

CERTIFICATION OF THE APPLICANT

I acknowledge that a material misstatement negligently made by me in this affidavit or in any other connection with my application for a MAP loan will constitute a federal violation punishable by a fine and possible criminal penalties imposed by law, and will be considered a default on the loan. I acknowledge that any false pretense, statement, or misrepresentation or the fraudulent use of any instrument, facility, article, or other valuable thing or service pursuant to my participation in the Mortgage Assistance Program is punishable by imprisonment or by a fine.
